Mission Statement

The mission of the Norfolk Public School is to educate all students to be competent, confident, thoughtful, responsible, and contributing members of society.

The Norfolk Public School is committed to having each student attain his or her maximum potential by participating in a challenging educational program. In order to accomplish excellence, the Norfolk Public School will promote continuous improvement in all areas of the educational system and will engage the support of the community.

Board Adopted: November 13, 2013
