

**Gifts To School Personnel**

The Board discourages students and their parents, whether as individuals or in groups, from the routine presentation of gifts to school employees on occasions such as Christmas.

The Board will consider as always welcome, and in most circumstances more appropriate, the writing of letters to staff members expressing gratitude or appreciation. The provisions herein will not be interpreted as intending to discourage acts of generosity in unusual situations.

The Board, representing the community and using Board funds, may consider as appropriate, the presentation of token gifts to members of the staff.
